Note from the Manager

Thomas J. Vayalat

in stature offering 13 undergraduate courses, 6 post graduate courses, and has 2 research centres. The College fosters a rational, democratic, eclectic and secular mind set in the students. Performing arts and sports have been given equal importance along with academic curriculum. The Cochin College campus has always been abuzz with a plethora of activities and has become a dynamic venue where brilliant minds from diverse disciplines converge and share their vast reserves of knowledge and skills.

The Cochin College established in 1967, by the Cochin Educational Society is one of the iconic institutions in West Kochi. The path traversed by our predecessors leaves a trail of precedents and conventions to follow. The college which started with a meagre number of 240 students has grown

The college has always upheld the values of equity and diversity and has successfully been able to meet the demands of a blended mode of learning during the pandemic crisis, all thanks to the group of committed teachers going beyond the call of duty to meet the deadlines, students who have learned to 'unmute themselves, open up and adapt to the new and viable modes of learning and a cooperative team of support staff who provide all the required assistance and conducive environment for the right teaching learning experience.

From the Principal's Desk

Dr. M. Geetha

Management of anxiety level among the young minds and nurturing their enthusiasm paved way for out-of-the-box innovative thinking and developing life skills.

The academic year 2021-22 presented the institution once again with the new normal of teaching-learning experiences. Albeit one born out of necessity in 2020, the pandemic opened up possibilities for novel opportunities and educational trends. It brought to the fore the need for a hybrid mode of learning to ensure continuation of education. The college initiated all possible steps to make sure that the transition is a smooth one for the students and faculty as well. The unique needs of the students were addressed and supportive measures taken.

The college focused on digital inclusivity transforming the teacher into a facilitator by ensuring that all the students get access to key learning experiences and nurture their shelved potentials. The digital tools provided ideal platforms for students to channel their creative outbursts and lend expression to their thoughts and views. Teachers have been relentlessly organizing and conducting webinars and workshops as well as attending online courses and Faculty Development Programmes to accommodate and update their repertoire of skills to the changing times. Blended learning

has enabled paperless interactions, flexibility, improved accessibility, inclusion and participatory pedagogy. With cautious optimism, switching from online to offline mode of learning has brought back the vibrancy of campus life, with strict adherence to Covid protocol.

It was admirable to witness the unwavering support, resilience, and kindness that the entire college community has shown one another. The tenacity and determination to keep learning and moving forward displayed by our students, in particular, were palpable and invigorating. Unexpected benefits of remote learning that included unique opportunities and alternatives led to greater appreciation of life and nature. New ways to connect and mobilize knowledge had been the key focus of the institution and a need to cater to and equip the students for a post-vaccine world has been given prime importance.

INIZIO-2021

Designed as per the guidelines of the University Grants Commission UGC on 'Deeksharambh - Student Induction Programme', INIZIO 2021 was organised for first year undergraduate students from 08th to 12th November 2021 in a hybrid mode comprising six online invited lectures as live sessions, video presentations and assigned tasks. The purpose of Deeksharambh was to welcome the new comers to the institution as well as introduce them to the diverse ways of blooming up their creative and social skills, critical thinking, scientific temper, psychosocial competencies, connecting with nature etc. and help them attune to their new roles and environment.

INIZIO 2021, jointly organised by the IQAC and the Student Support Cell of the college commenced on 08th November with the address by Dr.M.Geetha, Principal, The Cochin College followed by live and recorded presentation of activities of all the clubs and committees of the college. The second session on *Cloud based Technology for Enriching Teaching-Learning experience* was handled by Dr Paulbert Thomas, Assistant

Dr. M. Geetha,
Principal

Professor in Electronics, The Cochin College. Next session was orientation for students handled by the respective departments followed by a literary task for students. On Day 02, 09th November 2021, an interactive training session initiated by HR trainers, Habit theory on *Science of Learning* provided a detailed insight into the science of learning complex subjects. A literary task to review a book of their choice was given to students. The third day on 10th November 2021, an orientation session, *Welcome on Board* by Dr. Mary Matilda, Former Principal, Maharaja's College, Ernakulam was conducted via Google Meet. In tune with the present interests of students, *#Shorts Challenge*, a fun task designed by the Digital Solutions Committee and IQAC was assigned to students to showcase their talent in a 60 second video. In the next session, students were given the task of creating a career portfolio in Google docs which also served as a practical task to the session conducted on Cloud Based Technology.

On 11th November 2021, Dr Jobin Jose Chamakkala, Assistant Professor, Department of Malayalam, Devamatha College, Kuruvilangad initiated an online live session on Yoga for health and wellness. The second session on day four *Say NO to Drugs* was handled by Sri. K.K. Arun, Preventive Officer, Excise Range Office, Mattancherry. After the session a literary task, 'Character Silhouettes' was assigned to students.

Management of Emotional and Behavioural Problems in Adolescents handled by Sri. Suvrad M.T, Psychologist, HLFPPPT, Second Innings Home, Govt. Old Age Home, Thavanur, Malappuram was conducted on 12th November. The session was followed by an assignment *What's in my name*, which the students were asked to write and upload.

The students were directed to upload a consolidated report on the sessions attended and certificates were issued online. INIZIO 2021 was a well planned and executed six-day programme conducted within the time frame 9.30 am to 4.00 pm each day and provided the right initiation to students to familiarise themselves with the environment and the institution.
