Sl.No.	Programme	Name of the Course	Course Code	Description
19	B.A English Language and Literature Model 1	Literature and/as Identity	EN3CC05	To sensitize students to the various ways in which literature serves as a platform for forming, consolidating, critiquing, and reworking the issue of identity at various levels.
20	M. A English	Dalit Studies	EN830403	To familiarize the students with the development, intent, and contents of Dalit Literature and aesthetics from different regions of India.
21	M. A English	Body Text and Performance	EN010303	The interface between the verbal and the visual is the area under discussion here. Drama, Theatre, Body Performance, and performativity need to undergo close scrutiny here. Other performance patterns like dance performance in the form of gender/ transgender/ autobiography have also to be seriously considered within the gamut of this paper.
22	MSc Chemistry	Advanced Organic Chemistry	CH 80 04 02	The course covers drug design and action, highlighting the ethical considerations in developing and using pharmaceuticals to ensure human health and well-being.
23	B.A /BSc Common Course	Kathasahithyam	ML1CCT01	This course understands human values; it is essential to recognize and prioritize the need for both gender equality and environmental protection. These two aspects are integral components of a holistic approach to human values as they directly impact the well-being and future of humanity.
