Open Stage & Outdoor Areas

At The Cochin College, we believe that cultural activities are an integral part of holistic education, fostering creativity, teamwork, and a deep appreciation for the arts. Our campus is a vibrant hub for cultural exploration and expression, where every corner holds the potential to become a stage. The open stage serves as a focal point for numerous cultural activities, while the courtyard in front of the college and the portico transform into dynamic spaces for artistic performances and events. Beyond these designated areas, the entire campus becomes a canvas for cultural development, with each nook and cranny contributing to a rich tapestry of artistic expression and community engagement.
