REMEDIAL CLASS FOR SLOW LEARNERS

At The Cochin College, we recognize the diverse learning needs of our students and are committed to providing the necessary support to ensure academic success for all. In line with this commitment, a structured remedial teaching program has been implemented to assist slow learners, helping them overcome academic challenges and achieve their full potential.

1 Identification of Slow Learners:

Slow learners are identified through a combination of methods, including:

Continuous assessment scores Teacher observations and feedback Student self-assessment Parental feedback Performance in regular classroom activities and exams Once identified, these students are enrolled in the remedial teaching program tailored to address their specific learning needs.

The screenshot shows a Google Classroom interface for a 'Remedial Class'. On the left, there is a sidebar with navigation options: Home, Calendar, Resources (marked 'New'), Teaching, To review, and a list of courses including 'B.Sc Zoology Major 2024', 'Research Methodology, Biop...', 'Animal diversity- Non Chord...', 'Animal Diversity -Chordata batch 2022-25', 'Open course Zoology (2023-...', 'Remedial Class' (highlighted), 'Developmental Biology Sem 6, 2021-24', 'Perspectives in science and ... First Sem , 2022-25', and 'Cell Biology and Genetics 2020-23'. The main content area has tabs for 'Stream', 'Classwork', 'People', and 'Marks'. Below the tabs, there is a banner for 'Remedial Class' with a 'Customise' button. A 'Meet' section includes a 'Join' button and 'Visible to students' option. A 'Class code' section shows 'xfpkfba'. Below that, there are two posts by 'Vineeth Kumar TV': 'Link for the online exam' (4 Jun 2023) and 'Question bank' (30 May 2023).
