## Theater and Festival Hosting

Our college is proud to serve as the venue for the prestigious MG University Film Festival and Drama Festival. These events transform our campus into a vibrant cultural hub, where students and artists from across the region come together to showcase their talents. The festivals not only highlight the rich tradition of theater and cinema but also provide invaluable opportunities for creative expression, collaboration, and cultural exchange. By hosting these prominent festivals, our college reinforces its commitment to nurturing the arts and fostering a dynamic environment for cultural development.

Not only do our students benefit from this multi-day film and drama festival, but drama and film enthusiasts from the nearby Kochi area also get to enjoy it. The expansive grounds of our college make this possible, allowing us to set up multiple stages, each equipped with sound, lighting, and seating arrangements. The thoughtful layout ensures that the performances on each stage run smoothly without interfering with one another, creating a seamless experience for all attendees.
