Motto: Lead Kindly Light

The motto "Lead Kindly Light" is a prayer for guidance in times of darkness and uncertainty. Originating from the hymn written by John Henry Newman, it symbolizes the aspiration for moral and spiritual enlightenment. It reflects the College's dedication to being a beacon of wisdom, virtue, and integrity, guiding its students through the challenges of life with compassion and understanding. The phrase also encapsulates the institution's commitment to fostering an environment where knowledge leads not only to personal success but also to the greater good of society. As students embark on their educational journey, the light of knowledge, integrity, and wisdom leads them towards a brighter and more meaningful future.

5.4 Recognition as Peace League Institution by International Peace20 Youth Summit

Name of Award	Recognized as Peace League Institution
Nature of Activity	Promoting and supporting the Sustainable Development Goals
Awarding body	International Peace20 Youth Summit
Year of award	2023

6 INIZIO-2023 : Induction Programme for I year UG Students

INIZIO 2023, the Student Induction Programme at The Cochin College, was held from 9th to 13th October 2023 for the first-year undergraduate students of all streams. The program was organized in alignment with the University Grant Commission's Student Induction Programme, Deeksharambh, and jointly conducted by the IQAC and Student Support Cell. The goal of the program was to provide students with a smooth transition into college life by introducing them to the academic and social environment of the institution.

The first two days featured interactive sessions led by Mr. Sooraj Abraham, Executive Coach and Social Entrepreneur, along with his team. These sessions focused on key topics such as College Education towards Responsible Citizenship, Codes of Classroom Conduct, and Teamwork towards Classroom Goals. The sessions aimed to instill a sense of responsibility and teamwork among the students while preparing them to become active participants in the classroom environment. On the third day, the Heads of Departments provided an Academic Orientation, giving students insights into their courses and setting expectations for their academic journey. Additionally, students were introduced to the college's various clubs and committees, encouraging them to get involved in co-curricular activities for holistic development.

On the fourth day, Shri. Amerzlin Louis, a well-known Physical Education Teacher and Life Coach, led an engaging session titled "Enjoy, Have Fun and Learn Life Skills with Life Coach." The session emphasized personal development through participatory activities, making learning enjoyable while teaching essential life skills. The final day of the program focused on health awareness and academic support. Dr. Praveen Pai, a Geriatrician and Public Health Specialist, and P.V. Savitha Shenoy, Cluster Programme Manager at DISHA, educated students on health-related topics, including HIV/AIDS prevention. The College Librarian, introduced students to the library's resources, including e-resources and services like the SWAYAM portal. The session also familiarized students with library facilities and services, ensuring they are well-equipped to access academic resources. The program concluded with the distribution of M-Cups to students, symbolizing the institution's commitment to promoting sustainable practices.

commitment of our faculty, staff, and students in pursuing excellence, even in the face of evolving challenges.

Our focus on holistic education, community engagement, and research innovation has not only enhanced the academic performance of our students but also fostered a culture of inclusivity, social responsibility, and environmental awareness. We have witnessed remarkable progress in student outcomes, with numerous university ranks and accolades that reflect the quality of education and mentoring provided at our institution.
