Total Number of students who undertaken Project works/ Field works/ Internships during the academic year 2023-2024 (without repeated count)					833

- The highlighted rows indicate students who has done project work + field work/internship
- **BBA** - project work was done by 63 third (3rd) year students and Field work was done by 40 second (2nd) year students. Hence it's not the same student who is involved in multiple project/ field work.
- **BSc Botany** - Project work and Field work was done by 21 students of third (3rd) year. These are duplicates and hence we considered their number only once i.e for project work only.
- **BSc Zoology** - 108 students (1st, 2nd and 3rd year) did project work and 101 students (1st, 2nd and 3rd year) attended field work. To avoid duplication, we considered only the number of students who have done the project work (108).
