4 Representation to the Registrar submitted by the Faculty regarding FYUGP Syllabus

The screenshot shows an email from Sindhu K (sindhuk@thecochincollege.edu.in) to the registrar. The subject is "Representation-issues related to MG UGP -ECONOMICS". The email content is as follows:

Respected Sir,

Subject: Issues Related to Minor and MDC for B.A. Economics (Hons) under MG-UGP

Hope this email finds you well.

I am writing to bring to your attention the challenges faced by students and faculty of the Department of Economics under the newly implemented MG-UGP curriculum.

Restricted Access to Minor Courses run by Other Departments: The departments of Commerce and English exclusively offer their allied minor courses to students majoring in their respective programs. Consequently, students in the B.A. Economics (Hons) programme struggle to find suitable minor courses that align with their interests and academic goals. This limitation forces them to select minors that neither match their interests nor support their future academic aspirations. Furthermore, since the students from Commerce and English programmes do not opt for minors outside their departments, there is a low enrollment in the minor courses offered by the Department of Economics. The problem is grave
